Convertible Top Option: Convertible Top mechanisms (Electronic or Hydraulic). No manual mechanisms, hydraulic lines, or fluids.

Commercial Vehicle Option: Any passenger cars, trucks and vans (up to one (1) ton cargo capacity) used for the business purpose of livery, farming or ranching, pushing, pulling or hauling material of any kind, route work, job site activities, inspections, examinations, maintenance, service or repair work, gardening and lawn care, and carrying personal job tools to a job site or has been issued commercial plates in the state in which it is titled, or advertises a commercial enterprise with signage on said Vehicle. Usage must not exceed manufacturer's ratings and/or limitations. Any other uses for commercial purposes, including but not limited to, rental, taxi, limousine or shuttle, delivery, towing or road repair operations, vehicles used for snow removal, security services, cable or line installation or removal, police or other law enforcement services, emergency services, construction, or any vehicles used for competitive driving, are not included in this definition. Vehicles used for rideshare are not considered commercial vehicles.
